Want to get rid of Junk Mail??

Remember when you used to race to the mail box as a child and be so excited to get something? Not so much these days. It is a waste of our time, and natural resources to get so much paper waste every day. So let's look at some solutions.

The DMAchoice program from the Data & Marketing Association gives you control over what you receive. To register, visit www.dmachoice.org and enter your information. There is a $2.00 fee to register, but it lasts for 10 years. Or a caregiver can register on behalf of their care recipients by visiting the DMA website Do Not Contact for Caretakers Do Not Contact for Caretakers (https://www.ims-dm.com/cgi/dncc.php)

There is no charge for a caregiver to remove a vulnerable senior from the list.

To opt out of Pre-Approved Credit Card apps. You can call 888-567-8688

For generic mail that is to an “Occupant” or “Resident” you must contact that organization by writing a letter requesting that you be removed from their list. You will need to provide your name, address, and tell them clearly that you want to “Opt Out” from further mailings.

Respite Care
A reminder to those of you who are unpaid caregivers of a friend or family member. Respite care is available for up to 13 days a month at Hamlet House in Lopez Village if space is available, or on the mainland. The rate paid is based on the monthly income of the person receiving care. It is a sliding scale, and Northwest Regional Council pays the difference from the Respite grant they receive from the State of Washington. This program allows the caregiver to have a break from care giving, which is necessary for them to remain in good emotional and physical health. If this sounds like something you would benefit from please call Senior Services at 360.468.2421.

Meal Service—Lunch

The Lopez Operations Committee Corner

After 18 months as our Events Coordinator Theresa Lynch had decided to resign. Theresa has provided a great service to our organization. Our new Senior Service Specialist Roni Becker stepped up to take over, but has since been told that taking the job could be a conflict of interest. So here we are again looking for an Events Coordinator.

The big events for the past couple of weeks have been the Mystery Dinner planned and presented by the Friends of Woodmen Hall and the Pancake breakfast prepared by Roberta Vaughn. The Mystery Dinner is a fundraiser for the Friends of Woodmen Hall and the money raised is used for restoration and addition of new items for Woodmen Hall. The Pancake Breakfast is a fund raiser for the Meals on Wheels and More program at Woodmen Hall.

I want to emphasize that the Advisory Board has a need for an Events Coordinator. The position requires talking with prospective hall renters, presenting them with the appropriate paper work, collecting rents and damage deposits, and making sure the hall is ready for their use. If you have an interest or would like more information, leave me a message at 360-468-2421

WASTE NOT, WANT NOT!

By Carol Simmer, RDN
Meals & Wheels and More!

Waste Not, Want Not was a phrase I heard a lot as a kid. Raised on a farm, my parents were particularly conscientious about “not wasting” anything, for financial reasons but also from environmental concerns. Seniors have expressed their concern to me about the waste of food (and other things) they see increasing in our society. A statistic I found from the UN Food and Agriculture Organization is that about one third of food produced globally goes to waste! Another statistic is that U.S. households waste 63 million tons of food worth $165 billion dollars each year! The following common-sense tips are a reminder of what we can do to control the waste of food.

Shop smarter. Make a list, and don’t buy more that you can use. If it is a “deal” it is not a bargain if it goes in the trash!

Store better! Many things can be frozen to extend their shelf life (even flour!) but don’t let things get “buried” in the freezer so that you forget them! And be sure to label everything (name and date). Dry produce as much as possible before refrigerating-excess moisture promotes rotting. Don’t be ruled by “best before” dates-if it smells good, feels good and looks good, chances are that it is good. Check out www.savethefood.com for more tips.

Think before you toss. Keep as much food out of the landfill as possible (reduces greenhouse gases). That’s where Food Plus composting in your county or city makes it easy. If not Food Plus, then home composting is a choice. Know that coffee grounds, egg shells and citrus peels can go straight into the garden providing mulch and aerating the soil. Check out www.edenproject.com (select Green Living) for more composting info.

Cook with care. When households reduce to 1 or 2 people, it is often hard to adjust how much to cook without boundless leftovers that may mold and be thrown out! Resources for reducing waste include www.lovefoodhatewaste.com and the online cookbook, Amazing Waste, by science students from University of Wisconsin-Madison. One tip, at week’s end, make a stew or soup and freeze in portion size containers.

Junk on your phone??

Unsolicited calls can be equally as annoying. One common scam is a call from the IRS stating that you owe money. Do not assume that they are, even if it shows up on your caller ID because they can fool you with that too. Hang up and call the IRS.

One way to reduce but not eliminate unwanted calls is to register both your home and cell numbers with the Federal Trade Commission’s national Do Not Call Registry. Once on the list solicitors are prohibited from calling. Except businesses that you are conducting business with. To register for this free service call 1-888-382-1222 from the number you wish to block.

Some indications that it is a scammer:

1. They ask for sensitive information.
2. Threatening or bullying you.
3. Demands money especially/money order.
4. Refuses to remove your name from their list.
5. Claims to be from IRS or other official source. Good Luck

**Trips**

Off-island medical trips are available on Tuesdays and Thursdays if a driver is available.

To schedule off-island medical trips, we ask that you pay attention to the current ferry schedule and schedule appointments in late morning or early afternoon appointments to catch the 3:05 pm ferry from Anacortes to Lopez.

We are making reservations for these trips so it is very important for you to know approximately how long your appointments will take.

Suggested donation $30 for all off island destinations.

These trips will be in the Anacortes and Mt Vernoin–Burlington area. Please call Senior Services (360.468-2421) at least one week in advance so that we may schedule a volunteer driver. Bellingham or Seattle is possible if we can find a volunteer able to make that trip.

If you are planning an appointment at Peace Island Hospital/Medical Clinic in Friday Harbor, they will pay for taxi service with The Round Towner Tax (360.298-4434). This service allows patrons to walk on the ferry at Lopez and then take the taxi to Peace Island Hospital/Medical Clinic.
