Senior Services Note

Here we are in the heat of Summer. The 4th of July was a huge success with the fun run, parade, book sale, and amazing fireworks.

Here at the Senior Center we put up our net for Flyswatter Volleyball so come join the fun. Participants must stay seated so all are welcome.

Lou Pray brought some Large print books from the library to share with us. Please help yourself.

We have some interesting entertainment lined up for after lunch. Ann Palmer sent us a slide show of the 4th of July Parade. Thanks Ann. She will also be sharing slides of her latest camping expedition to E. WA.

Holly Kongorski will play piano for us.

Prevent Falls & Fractures

1. **Stay physically active.**
   Plan an exercise program that is right for you.

2. **Have your eyes and hearing checked.**
   Even slight changes in either can cause you to fall.

3. **Side effects of medications you take.**
   Talk to your doctor about possible dizziness or sleepiness.

4. **Get enough sleep.**
   If you are sleepy, you are more likely to fall.

5. **Stand up slowly.**
   Getting up too quickly can cause your blood pressure to drop.

6. **Limit the amount of alcohol you drink.**
   Even a small amount of alcohol can affect your balance and reflexes.

7. **Use an assistive device if you feel unsteady when you walk.**
   Appropriate use of canes and walkers can prevent falls.

8. **Wear non-slip, rubber-soled shoes.**
   Don’t walk on stairs or floors in socks or shoes with smooth soles.

Respite Care
A reminder to those of you who are unpaid caregivers of a friend or family member. Respite care is available for up to 13 days a month at Hamlet House in Lopez Village if space is available, or on the mainland. The rate paid is based on the monthly income of the person receiving care. It is a sliding scale, and Northwest Regional Council pays the difference from the Respite grant they receive from the State of Washington. This program allows the caregiver to have a break from care giving, which is necessary for them to remain in good emotional and physical health. If this sounds like something you would benefit from please call Senior Services at 360.468.2421.

The Lopez Operations Committee Corner

No excuses, no alibis, and no blame. We should have sent the membership renewal requests out last month, but did not make it. However, we are making up for that with a renewal form blitz. We are putting a membership form in this month’s bulletin, a letter with a form to those who receive the bulletin. And a form for those who are not members in the Lopez weekly. Remember the new membership runs from July 1, 2018 thru June 30, 2019.

We are making some progress on hiring an events coordinator. We have several people helping us look and at this point have two interviews set up. This item is our number one priority right behind getting the membership renewal forms out to everyone.

We are also looking into doing more advertising Woodmen Hall for as a meeting and event place, as Hall usage is off this Summer. This is probably due to several factors, but bears looking into. Be sure to talk up Woodmen Hall usage with your friends and relatives.

**Believe that Vitamin B-12 is Important!**

By Carol Simmer, RDM
Meals on Wheels and More

The research for this article came from author, Sharon Palmer, RDN, the Plant–Powered Dietitian, and from other articles with respected medical resources.

vitamin B-12 is important in the normal functioning of the nervous system, including DNA as well as the production of hormones, proteins, and fats.

B12 deficiency can be caused by a number of factors such as pernicious anemia, lack of intrinsic factor due to autoimmune gastritis, or age induced hypoacidity as well as others. However, **untreated B12 deficiency can potentially cause severe and irreversible damage**, especially to the brain and nervous system. At levels only slightly lower than normal, a range of symptoms such as fatigue, depression, poor memory, breathlessness, headaches, and pale skin may be experienced.

People over 60 are at higher risk of low intrinsic factor production and lower acid production in the stomach. Certain medications also reduce B12 absorption. Consider getting tested. Know that there are 2 ways to detect B12 deficiency- lab tests to determine serum or plasma B12 levels and labs to check methylmalonic acid (MMS) levels.

What contains B12 and how much do I need?

B12 is produced by microorganisms (bacteria) found in soil. Animals eat plants that have come in contact with the soil. The bacteria grow in the animal’s gut and continue to produce B12. The best food sources of natural B12 are meat, poultry, eggs, fish, milk and milk products. The Recommended Dietary Allowances (RDAs) for Vitamin B12 are:

- Adults 14+ years Male and Female = 2.4 mcg per day

Vitamin B12 (future noted as B12) is one of eight B vitamins and the largest and most structurally complicated of all. B12 contains the mineral cobalt and compounds with B12 activity are called cobalamins.

Trips

Off-island medical trips are available on Tuesdays and Thursdays if a driver is available.

To schedule off-island medical trips, we ask that you pay attention to the current ferry schedule and schedule appointments in late morning or early afternoon appointments to catch the 3:05 pm ferry from Anacortes to Lopez.

We are making reservations for these trips so it is very important for you to know approximately how long your appointments will take.

Suggested donation $30 for all off island destinations.

These trips will be in the Anacortes and Mt. Vernon–Burlington area. Please call Senior Services (360.468-2421) at least one week in advance so that we may schedule a volunteer driver. Bellingham or Seattle is possible if we can find a volunteer able to make that trip.

If you are planning an appointment at Peace Island Hospital/Medical Clinic in Friday Harbor, they will pay for taxi service with The Round Towner Tax (360.298-4434). This service allows patrons to walk on the ferry at Lopez and then take the taxi to Peace Island Hospital/Medical Clinic.

Come Join Us! After checking out the Spring ferry schedule, San Juan Island Senior Services would like to include Lopez Seniors on our Senior Trips. Lopez Seniors could walk on the 7:30 am. They would have to wait until Friday Harbor arrives at 9:10am. Then on the way back, the ferry for Lopez is the 4:30 p.m or 6:00. These trips are $25.00 per passenger and we have a total of 12 seats. If you have any input or need more information, please call Debbie at the San Juan Island Senior Services Office 360.378-2677. You’ll also need to call this number to make a reservation if you choose to be included.

Getting Tired of Your Own Cooking?
