

# San Juan County Community Survey

Help us identify the needs and expectations of seniors in San Juan County.

*Your input is critical to informing County-wide planning efforts designed to evaluate services and supports necessary to help County seniors age in place.*

The San Juan County Healthcare Districts on San Juan, Orcas and Lopez Islands, together with the Inter Island Healthcare Foundation, are conducting a survey to collect information regarding long-term care needs in the County.

Please use the below survey link or QR Code to participate in the survey.
